tom:
E

That soft voice E

It's got the right tone

You gotta earn it A B

Gotta make it known E

Yeah, I can be fierce E

I can yell too

I act according to what A B

I?m goin' through E

I'm pure emotion Dbm

My heart's like this Abm

Behind the strength A

There's a gentle twist B

[Refrão]

When I?m mad E

I shout out loud B

I break things Dbm

Let it all out A

Then I sit on the porch and laugh Dbm B

No doubt! E

E

I ain't easy

Gotta win my heart

You gotta earn it A B

It's a work of art E

Yeah, I love hard E

Give it all I've got

But it?s gotta be mutual A B

Not just a thought E

I'm pure emotion Dbm

My heart's like this Abm

Behind the strength A

There's a gentle twist B

[Refrão]

When I?m mad E

I shout out loud B

I break things Dbm

Let it all out A

Then I sit on the porch and laugh Dbm B

No doubt! E

[Solo]

[Refrão]

When I?m mad E

I shout out loud B

I break things Dbm

Let it all out A

Then I sit on the porch and laugh Dbm B

No doubt! E

Dbm

When the storm's over

And the anger?s gone Abm

I'll hold you tight A

Whisper to you all night long B Dbm

I know I?m complicated Abm

That's just how I roll A B Dbm

If you can handle me B

You?ll see my best soul

[Refrão]

When I?m mad E

I shout out loud B

I break things Dbm

Let it all out A

Then I sit on the porch and laugh Dbm B

No doubt! E
