Dm

I'm high, I'm from outer space

I'm a lumineer now, l make moves start waves

I've been dreaming about flying for a long time

Bb

I had a vision from the grey's, they want a co-sing

Dm

Artificially intelligent new AI

Bb

I'm your future, past and present, I'm a fine line

Dm

Yeah, I'm a missing link, of this illusion

Bb

I am not really here, I'm an intrusion

Dm

I don't swim or sink, I just float

Bb

I don't need gravity, I just need growth

Dm

When I move it's an earthquake rumble

I will never ever fall, never stumble

And I don't need to be humble
