

Inimigos da HP - O Dia do Nosso Amor

Tom: B

(B7 - Ebm - Dbm - Gb7)

As nossas carícias
Aqueles que aprendemos juntos
No nosso caminho, ficaram perdidas

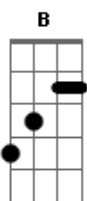

(B7 - Ebm - Dbm - Gb7)

Carentes de memória
De abraços e beijos, de olhares sinceros
Fomos deixando tudo tudo tudo para traz (B7)

Não temos tempo pra esses desencontros
E não há mais espaço pra arrependimentos
O orgulho é ruim, vem, fica perto de mim

0 dia do nosso amor
Tem que ser todo dia
Com calor e alegria
E que seja assim até o fim
O amor
Não vai ter tempestade
Vai ter sol à vontade
E arder pra sempre nossa paixão
