

INXS - Afterglow

Tom: Gb

Here I am, lost in the light of the moon
that comes through my window
Bathed in blue, the walls of my memory divides
the thorns from the roses It's you and the roses
(Bb Ab Bb Gb)

Touch me and I will follow in your afterglow
Heal me from all this sorrow As I let you go
I will find my way when I see your eyes
Now I'm living in your afterglow
Here I am, lost in the ashes of time,
but who owns tomorrow
In between the longing to hold you again
I'm caught in your shadow, I'm losing control

My mind drifts away, we only have today
Touch me and I will follow in your afterglow
Heal me from all this sorrow
As I let you go I will find my way
I will sacrifice 'til that blinding day when I see your eyes
Now I'm LIVINNNNG!!!! in your afterglowwwwwwwww!!!
When the veils are gone as I let you go, as I let you go
(Db Ab Gb Db)

Touch me and I will follow in your afterglow
Heal me from all this sorrow As I let you go
I will find my way, I will sacrifice
Now I'm living in your afterglow
Bathed in blue, the walls of my memory divides
the thorns from the roses
It's you who is closest
