

INXS - Everything

Tom: C

G Em D

Yeah, we're not the only ones

G Em

Who bleed for the love that's lost

C Am

Trust, like the air we breathe

C G

Live, you've got to loose some sleep

C Am

Everything you do for me

C

Everything I do for you

C Am

Everything you do for me

C Am

No one else comes close to you

C Am

You laugh when the cool get's cold

C Am

Cry when the punchline's told

F G

Fall into the arms of God

F G

Pray that your soul's not sold

C Am

Change keeps us moving on

C Am

All alone as you walk through the crowd

F G

Live we're gonna loose some sleep

F G

Trust like the air we breathe

C Am

Anything I do for you

C Am

Anything you do for me

G Em

The way you see the world

G Em

The way you see the world

G Em

The way you see the world

G Em

The way

D Em

Everything you do for me

D Em

Everything I do for you

G Em

The way you see the world

G Em

No one else comes close to you

G Em

No one else comes close to you

G Em

No one else comes close to you
