

INXS - Golden Playpen

Tom: G

I'm drunk can't see my glass
Not worried chair dancing man

CHORUS

Tossed out of the golden playpen
Beating the drums of pain and pleasure
You see the street ahead
Just walking down it look straight ahead

Night club ice cubes crackin'
The moneys gone don't have a cent

CHORUS

Sex talks eats you alive
We go making friends 'til satisfied
I'm drunk can't see my glass
Not worried chair dancing man

CHORUS

Acordes
