

INXS - He Stairs

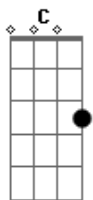

Tom: C

In a ^C room above a ^F busy street
 The ^C echoes of a ^F life
 the ^C fragments and the ^F accidents
 Separated by ^F incidents
 Listened to by the ^{Bb} walls
 We share the same ^{Bb} spaces
 Repeated in the ^{Bb} corridors
 Performing the same ^{Bb} movements

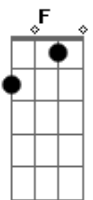

^C Storey to storey, ^F Building to building
^C Street to street, ^F We pass each other
^C Storey to storey, ^F Building to building
^C Street to street, ^F We pass each other
^F Listened to by the ^{Bb} walls
^F We share the same ^{Bb} spaces
^F Repeated in the ^{Bb} corridors
^F Performing the same ^{Bb} movements
^C The nature of your ^F tragedy
^C Is chained around your ^F neck
^C

Do you lead or are you led
 Are U ^G sure that you don't care
 There are reasons here to give your life
 And follow in your way
 The passion lives to keep your faith
 But all are different, all are great
 Climbing as we fall
 We dare to hold on to our fate
 And steal away our destiny
 To catch ourselves with quiet grace
 Storey to storey, ^{Bb} building to building
 Street to street we, ^F pass each other on the stairs
 (Drum interlude)
 (C to F through solo)
^{Bb} Listened to by the ^C walls
^{Bb} We share the same ^F spaces
^{Bb} Repeated in the ^C corridors
^{Bb} Performing the same ^F movements
^C Storey to storey, ^{Bb} building to building
^C Street to street we, ^F pass each other on the stairs
