

INXS - Pretty Vegas

Tom: F

(C to Bb Riff through verses)
 Falling asleep at the wheel again, baby
 You're drifting over the line
 You're hands are tight but you're losing grip quickly
 Fix me can you read the sign
 Thumbin' your way to Vegas, dirty
 and dreaming of the other side
 Save your tears and laughter because
 it doesn't matter what you find

It ain't pretty
 After the show
 It ain't pretty when the pretty it leaves you with no place to
 go
 If you think you want it here's the place to get it
 It ain't pretty

(C to Bb Riff through verses)
 Everything that you do is wrong and you
 Fell like you can barely survive
 When those around you are crumpling downwards
 Buried in the sunset alive
 Thumbin' your way to Vegas, dirty and screaming like you're
 back from hell
 Save your dreams and occupations 'cause doesn't matter what
 you sell

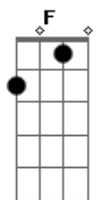

It ain't pretty

It ain't pretty
 After the show
 It ain't pretty when the pretty it leaves you with no place to
 go
 So, if you think you want it here's the place to get it
 It ain't pretty
 Yeah it aint
 It aint pretty

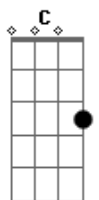

(C to Bb Riff through verses)
 Thumbin' your way to Vegas, dirty and dreaming like you're out
 of control
 Save your tears and laughter
 because this is the ride, this is the show

It ain't pretty
 After the show
 It ain't pretty when the pretty it leaves you with no place to
 go
 So, if you think you want it just come in and get it
 It ain't pretty
 C to Bb Riff
