 And wants to share a bed for more than a night

D **Em** **C** **D** **Am**
 But I'm stubborn, selfish, easily jealous at times

Em **C** **D** **G**
 I'm hard to love, and I just want someone to try

 I want someone, who knows that I'm not made for mornings

Em **C**
 And doesn't scold me for smoking when I drink

G **D**
 I want someone, who listens when they've heard the stories

Em **C**
 And gives me enough space to breathe
