

# Ira! - Correnteza

Tom: A  
Intro: A7

Sei, os velhos vícios que herdei

Se multiplicam no meu sangue

Correnteza que me arrasta

Sem ter onde me agarrar

É a queda incontrolável

Ver-ti-gi-no-sa

( Dm Bbm Dm F7 A F7 Bb Dm )

Sei, tudo está em seu lugar

A terra e o sol, o céu e o mar

E a razão sempre me atrai

Nos velhos vícios que herdei

É a queda incontrolável

E ver-ti-gi-no-sa

Oooooh, oh

Oooooh, oh

Mais e mais e mais

Mergulho em meus dramas pessoais

Mais e mais e mais

Mergulho em meus dramas pessoais

Ah! fico cego, surdo, mudo

Ah!, a correnteza leva tudo.
