

Irie Souls - Wanting More

tom:

Intro: F E7 Am
F E7 Am7

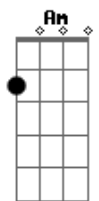

The way you move the way you groove your body
It's got me wanting more
You got me hooked the way you looking at me
I just can't ignore
That way you smile, and I like your style
And all of the things you do
I just got one thing to say to you, yes, ooh!

[Refrão]

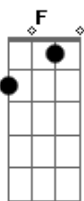

That's some kind of love, that you got there
That's some kind of love, that you got
That's some kind of love, that you got there
That's some kind of love, that you got

And when I kiss your lips, you get me in the mood
And when you walk away, you make me act a fool, uh girl
I just keep on wanting it more each time, and time again
And you know what to do, in every avenue and situation
That cause' me complications, no way!
