

Iron Maiden - Bring Your Daughter To The Slaughter Solo

Tom: C

Bring Your Daughter to the Slaughter Solo tab
 from the album-no prayer for the dying.
 written by bruce dickinson.
 tabbed by yours truly-Jonathan Howard

lines may appear screwed up besause im kak at writing tab up
 on the computer.
 this solo is a very difficut one because most of the notes
 are picked as oposed to using hammering on and
 off. focus on practising it very slowly and increse youre
 speed with a metronome. please feel free to add
 tab to youre work and around the internet but please put my
 name with it because it took months to work out.
 have fun
