Lyrics:

So you think you can own me, well you òd better just think again
You òd better watch you steps now, woman, cause I ain òt like those other men
There òs something burning inside me that makes me want to be free
And when I get these feelings honey, you better keep away from me

There òs things in life now, baby, that I know I òve got to do
And I need your love now, baby, to help me see it through
So you think you can own me, well you òd better just think again
You òd better watch your steps now, woman, cause I ain òt like those other men

So you think you can own me, well you òd better just think again
You òd better watch your steps now , woman, cause I ain òt like those other men
There òs something burning inside me that makes me want to be free
And when I get these feelings honey, you better keep away from me

BURNING AMBITION is one of my favourite Iron Maiden-songs.
It doesn òt really sound like the typical maiden-sound.
It òs only 2.41 minutes long and it hasn òt got got a chorus
and that òs very unusual for IRON MAIDEN-songs.
