Quarta Parte:

Watching horror films the night before  
Debating witches and folklores  
The unknown troubles on your mind  
Maybe your mind is playing tricks  
You sense, and suddenly eyes fix  
On dancing shadows from behind

Fear of the dark, fear of the dark  
I have a constant fear that something's always near  
Fear of the dark, fear of the dark  
I have a phobia that someone's always there  
Fear of the dark, fear of the dark  
I have a constant fear that something's always near  
Fear of the dark, fear of the dark  
I have a phobia that someone's always there  
(Intro - Solo Parte 2)  
When I'm walking in a dark road  
I am a man who walks alone
