

Iron Maiden - For The Greater Good Of God

Tom: **D**

This part may be on bass but I tabbed it for guitar anyways.

'Are you a man of peace.....'

Distorted verse (typical maiden strumming affair)

'tell me why, tell me why'

'Please tell me..'

Chorus bit ' For the greater good of god!'

Interlude (same as intro bit)

Harmony part

As you can see, some parts are missing feel free to expand this or something.
Basic but its a good start (I knocked it up in 20 minutes)
