

Iron Maiden - Journeyman

Tom: **C**

Dedilhado

Intro:

toque 1 vez até ir para a parte que está abaixo

SOLO DE FUNDO Janick Gers

alternado, ouça bem a musica,q dá p notar bem essas 2 partes.

Depois disso vem uma parte q eh uma levada de violão q fica nas notas **F** e **A**.

Depois disso vem a parte cantada, que eh:

F **A**
From the red sky of the east. To the sunset in the west
F **A**
We have cheated death. And he has cheated us
F **A**
But that was just a dream. And this is what it means
F **A**
We are sleeping and we'll dream for Evermore

C **D** **A**
And the fragment remains. Of our memories
C **D** **G**
And the shadows we made. With our hands
C **D** **F** **G**
Deeper grey, came to mourn. All the colours of the dawn
C **D** **A**
Will this journeyman's day. Be his last

REFRAO:

Dm **F**

I know what I want. And I say what I want

C **Bb** **C**

And no one can take it away

(Na quarta repetição do refrão, esticar o **Bb** junto com a voz de Dickson, e ao invés de tocar **C**, tocar **Dm**)

(**F** **A**)

F **A**
But the memory still remains. All the past years not so strange

F **A**
Our winter times are. Like a silent shroud

F **A**
And the heartbeat of the day. Drives the mist away

F **A**
And the winter's not the only dream around

C **D** **A**
In your life you choose desoltaion

C **D** **G**
And the shadow's you build with your hands

C **D** **F** **G**
If you turn to the light. That is burning in the night

C **D** **A**
Then your journeyman's day has begun

Refrão

C **D** **A**
In your life you choose desoltaion

C **D** **G**
And the shadow's you build with your hands

C **D** **F** **G**
If you turn to the light. That is burning in the night

C **D** **A**
Then your journeyman's day has begun
