Iron Maiden - Only the Good Die Young

Tom: C	dive w/bar		
This is the verse rhythm part (play twice):	Here's the end solo:		
There is a clean electric guitar playing some chords over top of			
that part (play twice):		dive w	/bar
This is the next part:	pick slide trill.	trill tr	rill
		gradually release bend	ł
Then it repeats from the verse riff up until the above part once more. After that it goes into the chorus:	power chord switches to E trill		
	pick slide	trill	
Then comes the solo. This is the rhythm part (just basic			
powerchords, no fancy rhythm patterns or anythingplay twice):	====== TABLATURE EXPLANATION		
Now comes a Bass interlude. This is the guitar part (play this 8 times pretty easy, eh?):			
	5h8 Hammeron	Ghost	t 6 Tap
Now go way back to the intro riff and repeat from there all the way	5p8 Pulloff	Note	
until the end of the chorus (don't forget to do the repeat the $\ensuremath{\mathrm{I}}$	5/8 Slide Up	Dead	p 7
previously mentioned above!!). Then the rhythm guitar plays the rhythm part for the solo once (don't hold the last Gb powerchord).	Pop 5\8 Slide Down	Note	s 5
Then there is another solo at then end. The rhythm guitar just tremolo	Slap		5
picks an Gb powerchord for a bit, then switches to an E. Then it goes back into	5~~~- Vibrato Bend	Repeat 	5
"Seven deadly sins" Here are the chords to that part:		 	
Here's the first solo:
