## Iron Maiden - Strange World

```
from the album Iron Maiden

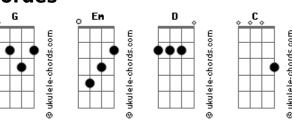

Em G
The only place where you can dream,
D C
Liven here is not what it seems.

Em G
Ship of white, light in the sky,
D C
Nobody there to reason why.

Em G
Here I am, I'm not really there,
D C
Smiling faces ever so rare.

Em G
A let's walk in deepest space,
D C
```

## **Acordes**

```
Living here, just isn't the place.

Em G
Stalk of light come from the ground,
D C
When I cry there isn't a sound.
Em G
All my feelings cannot be held,
D C
I'm happy in my new strange world.
Em G
Shades of green, grasses twine,
D C
Girls drinking plasma wine.
Em G
A look at love, a dream enfolds,
D C
Liven here you'll never grow old.
```

Don't you hear me call?
