[Primeira Parte]

Wake alone in the hills
With the wind in your face

It feels good to be proud

And be free and a race

That is part of a clan

And to live on highlands

And the air that you breathe

So pure and so clean

When alone on the hills

With the wind in your hair

With a longing to feel

Just to be free

[Segunda Parte]

It is right to believe in the need to be free
It's a time when you die and without asking why

Can't you see what they do

They are grinding us down

They are taking our land that belongs to the clans

Not alone with a dream

Just a want to be free

With a need to belong

I am a clansman

[Refrão]

[Terceira Parte]

It's a time wrough with fear

It's a land wrough with change

Ancestors could hear

What is happening now

They would turn in their graves

They would all be ashamed

That the land of the free

Has been written in chains

And I know what I want

When the timing is right

Then I'll take what is mine

I am the clansman

[Quarta Parte]

And I swear to defend

And we'll fight to the end

And I swear that I'll never

Be taken alive

And I know that we'll stand

And we'll fight for our land

And I swear that my bairns

Will be born free

And I know what I want

When the timing is right

Then I'll take what is mine

I am the clansman
