Just heard this song, and HAD to tab it for you all.  
 Unfortunately, Sam makes it hard to tab his songs perfectly, he changes it around too much, anyway, I'll try my best here.  
 The song pretty much repeats the same pattern generally, and for the sliding, he may not play two strings at once, but I do, and it sounds pretty good, so thats what I put here, you can take the G string out, and it

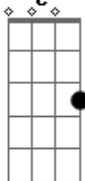

| / slide up  
 | \ slide down  
 | h hammer-on  
 | p pull-off  
 | ~ vibrato  
 | harmonic  
 | x Mute note
