

Iron & Wine - Such Great Heights

Tom: **C**
Intro: **C C G G F7 F7 C G**

VERSE:

C
I am thinking it's a sign **G**
that the freckles in our eyes **F7**
are mirror images and when **C**
we kiss they're perfectly aligned **G**
and I have to speculate **C**
that God himself did make **F7**
us into corresponding shapes like **C**
puzzle pieces from the clay **G**

VERSE:

and true, it may seem like a stretch,
but its thoughts like this that catch
my troubled head when you're away
when I am missing you to death
when you are out there on the road

for several weeks of shows
and when you scan the radio,
I hope this song will guide you home

Chorus:

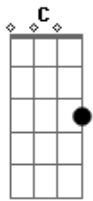

C they will see us waving from such great **G**
heights, "come down now," they'll saaaaaayyy **F7** **C** **G**
C but everything looks perfect from far away, **G**
"come down now," but we'll staaaaayyy... **F7** **C** **G**

VERSE:

I tried my best to leave this all on your
machine but the persistent beat it sounded
thin upon listening and
that frankly will not fly. you will hear
the shrillest highs and lowest lows with
the windows down when this is guiding you home

they will see us waving from such great
heights, "come down now," they'll say
but everything looks perfect from far away,
"come down now," but we'll stay..
