Im talking too loud

I think they loose touch

Gbm
And then I bury my head in the ground

Oh baby how'd you let me get here
You said you'd stay here

But it feels like you're never around

Gbm
While another man lies in my bed
Gbm
Oh baby look at how you made me
Gbm
Im going crazy

Gbm **B**
Is this really how you want it to be
B
And every time i try to stand up
B
I put my hands up
Oh have you looked at me lately

E
Oh oh oh baby oh oh oh

A
Dont forget me, forget me

Gbm **B**
This is not how we were meant to be
