

Isaac Gracie - Telescope

Tom: C
Intro: C Am Em G

[Primeira Parte]

C It's been a while since I heard your name Am Em
Trying to build it all, trying to build it all G
Trying to build it C
All, back again C
And I hurt myself it was all in vain Am Em
I couldn't build us up, build us up G

C But don't you worry
Am Em It's all over now
G It's all over

[Refrão]

C Been looking through a telescope Am
Had me thinking that we were close Em
All this time I had loved you so G
But it's time I let you go C
Been looking through a telescope Am
Had me thinking that we were close Em
All this time I had loved you so G
But now it's time to let you go C
Am Em G To let you go

[Segunda Parte]

C Staying up all night in an empty bar Am Em
I thought I knew it all, I thought I had you down G
But I don't know who you are C
When I need you the most Am
Yet you still so far Em
What you do with my heart G

[Pre-Refrão]

C But don't you worry
Am Em It's all over now
G It's all over

[Refrão]

C Been looking through a telescope Am
Had me thinking that we were close Em
All this time I had loved you so G
But it's time I let you go C
Been looking through a telescope Am
Had me thinking that we were close Em
All this time I had loved you so G
But now it's time to let you go C
But don't you worry C
Am Em It's all over now
