tom:  
Bb (forma dos acordes no tom de G )  
Capostrate na 3ª casa

C7M G  
How quickly you came into my life  
I wasn't longing 'till you passed me by C7M  
Now I never wanna say goodnight G  
I hate that goodnight means goodbye G  
But someday we'll have all the time C7M  
'Cause hours and hours just isn't enough G  
C7M G  
I prayed for a man who'd pray for me  
One who'd fear God, one who'd lead C7M  
But still I never could have dreamed G  
He'd love me this good, he'd be so sweet G  
He'd have everything I could ever need C7M  
And more G  
C7M G  
Shows me he loves me in the way he acts  
Reminds me who I am in God and not my past C7M  
Only God could have made this man G  
C7M  
And everyday I'm with you

I'll love you more
