

Isak Danielson - Afterparty

tom:

Intro: ^{Bbm} Db F ^{Eb} Gb Eb

^{Db}
I could be deep in darkest of oceans
^F
I could be buried along with the rest
^{Gb}
But a single word from your lips
^{Eb}
In the distance I'd crawl
^{Db}
Even when you show me
The worst of emotions
^F
I would eat the dust
From the palm of your hand
^{Gb}
I know most people would probably leave
^{Eb}
But I can't

^{Db} ^F
Just don't tell me that you need me
^{Gb}
If nobody would tell me to stop
^{Gbm}
I'd be dead and it won't be enough
^{Db} ^F
You'll be leaving, while I'm bleeding
^{Gb}
Ooh I'd be gone and you'd
Say you're sorry
^{Gbm}
But you'd still come

To the after party
(^{Db} ^F ^{Gb} ^{Eb})

^{Db}
What if I am scared for the pain
When I'm sober
^F
I don't wanna see what you do to me
^{Gb}
Even when I think of you know
^{Eb}
Its a sweet memory

^{Db}

I know I am better than this
When it's over
And all this fucking time
I am wasting on you
Maybe it's just better to love them
^{Eb}
And leave Like you do
^{Db} ^F
And then you tell me that you need me
^{Gb}
If nobody would tell me to stop
^{Gbm}
I'd be dead and it won't be enough
^{Db} ^F
You'll be leaving, while I'm bleeding
^{Gb}
Ooh I'd be gone and you'd
Say you're sorry
^{Gbm}
But you'd still come

To the after party

^{Db}
If this our last night
Can you just hold me tight
^{Gb} ^{Eb}
And pretend that you
^{Db}
Don't wanna say goodbye
^F
I know that I'll be fine
^{Gb} ^{Eb}
I know that I'll be fine

^{Db} ^F
But then you tell me that you need me
^{Gb}
If nobody would tell me to stop
^{Gbm}
I'd be dead and it won't be enough
^{Db} ^F
You'll be leaving, while I'm bleeding
^{Gb}
Ooh I'd be gone and you'd
Say you're sorry
^{Gbm}
But you'd still come

To the after party
