Em **D** **A**

Em **D** **G**
 When it's dark all around
 It's so tempting to think that
Em **D** **C**
 You've gone ahead without me
Em **D** **G**
 When it feels like I'm drowning

It's so tempting to think that
Em **D** **C**
 You're not here to save me

Am **C**
 But You're right here

Right here
G **D**
 I know You're right by me now
C
 You're right here

Right here
Em **D**
 I let Your love surround me now
 (**Em** **D** **C** **Em** **D** **A**)

Em **D** **G**
 When I feel isolated

It's so tempting to think that
Em **D** **C**
 I'm too far to reach You
Em **D** **G**
 When my fear tries to crush me

It's so tempting to feel like
Em **D** **C**
 You won't come to rescue

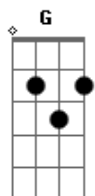

Am **C**
 But You're right here

Right here
G **D**
 I know You're right by me now
C
 You're right here

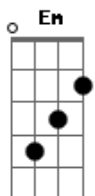

Right here
Em **D**
 I let Your love surround me now
C
 You're right here

Right here

Am **Bm** **C**
 My fear told me You were
 Asking me to catch up
Am **Bm** **C**
 But You've been really saying, "Son, let Me catch you"
Am **Bm** **C**
 There's nothing I can do to

Make myself heal faster
Am **Bm** **C**
 You've been always saying, "Son, let Me catch you"
