

Israel Kamakawiwo'ole - Take Me Home Country Roads?

Tom: Gb

Almost Heaven, West Makaha
High-ridge mountain, crystal-clear blue water

All my friends there hanging on da beach
Young and old among them
Feel the ocean breeze

[Refrão]

Country road, take me home
To the place I belong
West Makaha, Mount Ka'ala
Oh, take me home, oh, country road

[Ponte]

I heard a voice
In the morning calm, she calls me
As though to remind me of my Home far away
Driving down the road
I feel the Spirit coming to me
From yesterday, yesterday

All my memories hold Heaven on high
Brown-skinned woman, clear blue island sky
Daytime sunshine, oo-oooh so bright
Midnight moon a-glowing, stars up in the sky

[Refrão]

Country road, take me home

Country road, take me home
To the place I belong
West Makaha, Mount Ka'ala
Oh, take me home, oh, country road

[Ponte]

I heard a voice
In the morning calm, she calls me
We driving down the road, I feel the Spirits coming to me
Of yesterday, yesterday

Almost Heaven, West Makaha
High-ridge mountain, crystal-clear blue water
All my friends there hanging on da beach
Young and old among them
Eating fish straight from the sea

[Refrão]

Country road, take me home
To the place I belong, (to the place I was born)
West Makaha, Mount Ka'ala
Oh, take me home, oh, country road

Huuuu. Huuu-tah
Good fo' be back
White san', clean watah
Hô boy, the mountain...feel the makani
Whew, what a place
