

# Ita Melo - And

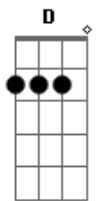

Intro: D Bm G A

D If you come here  
G Hidden in your tears  
D Behind in your mind  
G Lost in your time  
D Tell me what I do  
G When I find you  
A Ask me to come back  
D Why were you so bad?  
Bm Tell me what you want  
G And show me how to belong

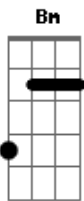

tom:

The night without me  
Alone in your fears  
Tell me what to say  
If I find my way  
Maybe so different from you  
Tell me if it's clear  
And ask me how to be  
In Your life without my dreams  
And, I know what to say if you ask me to come back  
The last time you played games, I lost all my feelings  
Maybe I can't find my way; maybe I can't be the best  
Maybe I should say, it's better left in the past
