                 Em
Intro:  Em  D  G  C  B
        Em  D  G  C  D

G                        D
I guess it's not that hard once you

Decide to start
Em                    C
Whatever you are choosing, while

Winning you ain't losing
G                 D
Everything is possible but still we

Never go
Em                    C
Laughter will win over tears when we

Get away from here
Cm
When we get away from here

Em                     D
Let's go hang out by the sea
                      G
Life get's easier with me
                    B
Just imagine how our days could be
Em                      D
And in the night we'll make a fire
                  G
Sparks are dancing in the sky
                        B
Leave the world behind and come with
 Me
                     Em  D  G
Let's go hang out by the sea

( C  B  Em  D  G  C  D )

G                  D
Our insecurities slow us down

Before we see
Em
There is change behind the mountain
 C
 Overflowing like a fountain
G                    D
Let's dream our life away. Under the
 Sun all day
Em
And even when it's pouring down
  C
Together it is fun to drown
  Cm
Together it is fun to drown
```
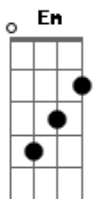

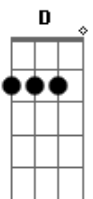

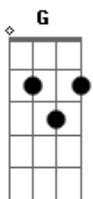

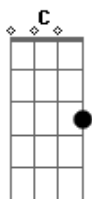

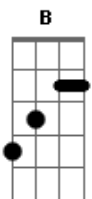

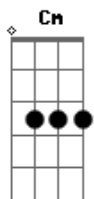

```
Em                       D
Let's go hang out by the sea
                       G
Life get's easier with me
                     B
Just imagine how our days could be
Em                      D
And in the night we'll make a fire
                   G
Sparks are dancing in the sky
                     B
Leave the world behind and come with

Me
                      Em  D  G
Let's go hang out by the sea

C  B            Em  D  G  C  B
  Hang out by the sea
Em  D  G  B
Aaaaaaaaah

Em  D  G  B
Aaaaaaaaah

Em                       D
Let's go hang out by the sea
                       G
Life get's easier with me
                     B
Just imagine how our days could be
Em                      D
And in the night we'll make a fire
                   G
Sparks are dancing in the sky
                       B
Leave the world behind and come with

Me

Em                       D
Let's go hang out by the sea
                       G
Life get's easier with me
                     B
Just imagine how our days could be
Em                      D
And in the night we'll make a fire
                     G
Sparks are dancing in the sky
                       B
Leave the world behind and come with
 Me
