

Iurd Universal - Quando o Vento Soprar

tom:

D

Sopra Espírito, levanta os caídos

Restaura as feridas, dores antigas

Vem pra curar

Sopra Espírito, trazendo vida

Junta os pedaços

Já ouço o ruído do Teu agir

Faz levantar do vale

Põe de pé os ossos secos

Com Teu poder, vem restaurar

Da multidão de caídos

Faz senhor, um povo forte

Marchar sobre a terra, quando o vento soprar

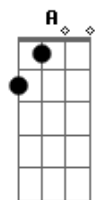

Quando o vento soprar

Tudo vai se mover

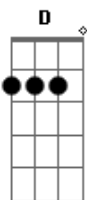

Tudo volta ao lugar

Quando o vento soprar
