

Iury Moretti - Experience

Tom: Eb

(com acordes na forma de
Capotraste na 3ª casa
Intro: C Am C Am F G C

in your eyes I see
clouds one day passed me
so far I can not see
the rains that they carried to us

this can be an experience
or this time would work
in another parallel earth
we would have the same soul

C)

yes, we would have the same soul

all the things we did
they conspired so that we were here
but it does not work as well
because I do not know if this is real

this can be an experience
or this time would work
in another parallel earth
we would have the same soul
yes, we would have the same soul
