

# Ivaldo Moreira - Prazer e Fé

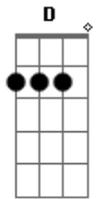

tom:

Intro: G D Em Em Am Am D Eb  
Em Em Em Em Am Bm C Db D

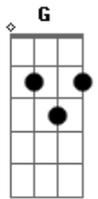

Se bem me quer, quero ver  
Se bem me quer, quero amar  
Onde existir bem-querer  
Meu bem-viver vive lá

Quem bem me quer bem me tem  
Cada dia que me quiser  
Com muito prazer e fé  
Quem bem me quer bem me tem  
Do jeito que me quiser

C D G D  
Com muito prazer e fé

Se bem me vem, quero bem  
Se bem me quer, bem me faz  
Não penso mais em ninguém  
Nem pensarei nunca mais

[Refrão]

Já sonhei com quase tudo já fui dono desse mundo  
Já quis ser um deus já quis reinar  
Aprendi a ser miúdo a chegar no mais profundo  
Sem nada de meu diante de um olhar
