

# Ive Jones - Checkmate

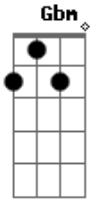

tom:  
Gbm

Getting the things he wants  
Bm Using arguments or a gun  
Bm I never did to myself  
Bm What I did for you in a month  
Bm Usually I start  
Bm Wishing on the brilliant star  
Bm On it don't put my heart  
Bm I don't wanna leave even though it's hard  
Bm Since someday in July  
Bm I felt you would change my life  
Bm She warn me you had good lies  
Bm But she didn't said it was your eyes  
Bm Take all your wishes  
Bm And take it all on your beaches  
Bm I know your weakness  
Bm So don't play with me  
Bm I don't get your plan  
Bm I can't understand  
Bm I'm always here and I told  
Bm To everyone that you're my soulmate  
Bm You don't need to explain  
Bm I choose bask me in the cold rain  
Bm But you caught me from behind and  
Bm Gave me the last checkmate  
Bm Are you okay?  
Bm I used to ask every single day  
Bm We know how it works babe  
Bm You are so delicate  
Bm Vulnerable brain  
Bm You say you're in love, but you only feel pain  
Bm Let me ask you one thing  
Bm All the things I did was in vain?  
Bm Oh, I love you so much  
Bm And it kind of hurts

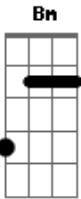

Stronger than before  
Bm And you are asking for more  
Bm I don't get your plan  
Bm I can't understand  
Bm I'm always here and I told  
Bm To everyone that you're my soulmate  
Bm You don't need to explain  
Bm I choose bask me in the cold rain  
Bm But you caught me from behind and  
Bm Gave me the last checkmate  
Bm The last checkmate  
Bm The last checkmate  
Bm But you caught me from behind and  
Bm Gave me the last checkmate  
Bm Could you be the first one?  
Bm Is daddy proud of having you as a son?  
Bm You lose, I already won  
Bm I'm trying to live fast but you wanna die young  
Bm I don't get your plan  
Bm I can't understand  
Bm I'm always here and I told  
Bm To everyone that you're my soulmate  
Bm You don't need to explain  
Bm I choose bask me in the cold rain  
Bm But you caught me from behind and  
Bm Gave me the last checkmate
