m

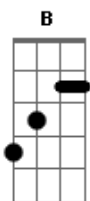

[Intro Parte 1]

[Intro Parte 2]

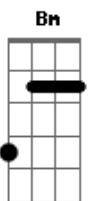

Well I was lost  
 And you showed me the way  
 I felt your lovin was a precious thing yanno  
 Even though im not with you girl  
 Reminisce on those times I had with you girl  
 Because you would come over and we'd both get high  
 Play you my song and you can always vibe with me  
 Your type of lovin girl It moves me yeah  
 But if you love something you got to set it free  
 Cause it don?t matta where you stay  
 You?ll always be my baby

Say, you can be a million miles away  
 And still receive my love  
 Cause it don?t matta where you are I got you right inside my heart  
 You could be close you could be far  
 You?ll always be my baby  
 I loved you most cause you were always by my side  
 Tell you my secrets And In you I can confide  
 Ill be your light in this dark time yyyeah  
 Layin with you in the stillness of the night  
 Things change, we go our separate ways  
 Some will say our lovin? was a passing phase yanno  
 You and I we know better then that Ill be waitin for you if ya come back  
 Cause it don?t matta where you stay  
 You?ll always be my baby  
 Say, you can be a million miles away  
 And still receive my love  
 Cause it don?t matta where you are I got you right inside my heart  
 You could be close you could be far  
 You?ll always be my baby
