

Izza - Antídoto

Tom: A

Intro: C F

É você não tá
 E o tédio se instaurar em tudo e o tempo nem passar
 É você chegar
 E a gente reinventar o mundo se deixar recriar
 Ir fundo no mais estranho e bonito de nós dois
 Ir mais profundo
 Deixar as noias da rotina pra depois

 (C F)

C C

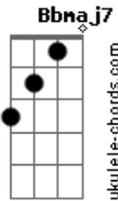

É você não tá
 E eu levar a sério tudo o acaso sem lugar
 É você chegar
 E a gente se livrar do mundo jogar tudo pro ar
 Ir fundo
 No mais estranho e bonito de nós dois
 Ir mais profundo
 E a rotina conturbada pra depois
 E as paranóias dessa vida pra depois
