

# J. Cole - Apparently

Tom: **D**

m **Bb** **Am**  
Oh right, oh  
**Am**  
Oh why na-da-da-da

**Bb**  
I keep my head high  
**Bb**  
I got my wings to carry me  
**Am**  
I don't know freedom  
**Am**  
I want my dreams to rescue me  
**Bb**  
I keep my faith strong  
**Bb**  
I ask the Lord to follow me  
**Am**  
I've been unfaithful  
**A7**  
I don't know why you call on me  
**Bb**  
This is my canvas  
**Bb**  
I'ma paint it how I want it baby,oh I  
**Am**  
This is my canvas  
**Am**  
I'ma paint it, paint it, paint it  
how I want it nigga

**Am** **Bb**  
Fck you cause there, there is no right or wrong, only a song  
**Bb**  
I like to ride/write alone, be in my zone  
**Am**  
Think back to Forest Hills, no perfect home  
**Am**  
But the only thing like home I've ever known  
**Bb**  
Until they snatched it from my mam and foreclosed her on the loan  
**Bb**  
I'm so sorry that I left you there to deal with that alone  
**Am**  
I was up in New York City chasing panties, getting dome  
**Am**  
Had no clue what you was going through,how could you be so strong?  
**Bb**  
And how could I be so selfish, I know I can be so selfish  
**Bb**  
I could tell by how I treat you with my girl, damn she so selfless  
**Am**  
But she put up with my ways because she loves me like you do  
**Am**  
And though it don't always show I love her just like I love you  
**Bb**  
And I need to treat you better  
**Bb**  
Wish you could live forever  
**Am**  
So we could spend more time together (I love you mama)

**Bb**  
I keep my head high  
**Bb**  
I got my wings to carry me  
**Am**  
I don't know freedom  
**Am**  
I want my dreams to rescue me  
**Bb**  
I keep my faith strong  
**Bb**

I ask the Lord to follow me  
**Am**  
I've been unfaithful  
**A7**  
I don't know why you call on me

**Bb** **Am**  
Apparently, you believe in me, you believe in me  
**Bb** **Am**  
Apparently, you believe in me and I thank you for it

**Bb**  
Another day, another rhyme, ho  
**Bb**  
Another day, another time zone  
**Bb**  
Today, I woke up feeling horny so it's only right I got two  
bitches playing on my trombone  
**Am**  
Keep up, never sure where the words would take me  
**Am**  
Niggas eat em up, and regurgitate me  
**Am**  
Shit trump tight never slurred it lazy  
**Am**  
Give a virgin the urge to rape me, nigga please  
**Bb**  
Best friends really make great for enemies  
**Bb**  
My watch came, niggas can't wait for one of these  
**Bb**  
I see you nigga, this ain't no Rolex, it's a AP nigga  
**Bb**  
I'm hot, dog, catch up to me nigga  
**Am**  
Uh, couldn't resist  
**Am**  
Aim for the stars and I shouldn't have missed  
**Am**  
But I was riding on fumes so I stopped by the moon  
**Am**  
Now I'm sitting on the hood of this bitch like thanks for the view  
**Bb**  
Waiting on thanks from a few cause without me you wouldn't exist  
**Bb**  
You know that shit gave you the blueprint don't forget  
**Bb**  
Cold as your phone on zero percent  
**Am**  
Going off, now niggas showing off  
**Am**  
Niggas swear they hard but they flowing soft  
**Am**  
I'm taking off like boing on a big ass Boeing  
**Am**  
Getting head like a coin toss, too easy

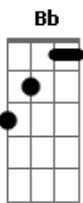

**Bb**  
I keep my head high  
**Bb**  
I got my wings to carry me  
**Am**  
I don't know freedom  
**Am**  
I want my dreams to rescue me  
**Bb**  
I keep my faith strong  
**Bb**  
I ask the Lord to follow me  
**Am**  
I've been unfaithful  
**A7**  
I don't know why you call on me

**Bb** **Am**  
Apparently, you believe in me, you believe in me  
**Bb** **Am**  
Apparently, you believe in me and I thank you for it
