

J. Mascis - Fade Into You

Tom: A

(A, E, Bm)

I want to hold the hand inside you I want to take a breath that's true I look to you and I see nothing

I look to you to see the truth You live your life You go in shadows You'll come apart and you'll go blind Some kind of night into your darkness Colors your eyes with what's not there.

Fade into you Strange you never knew

Acordes

Fade into you
I think it's strange you never knew
A stranger's light comes on slowly
A stranger's heart without a home
You put your hands into your head
And then smiles cover your heart

Fade into you Strange you never knew Fade into you I think it's strange you never knew

Fade into you Strange you never knew Fade into you I think it's strange you never knew I think it's strange you never knew
