

Ja Rule - Down Ass Chick

Tom: Gb

Submitted By: Aaron Mele

E-Mail: website:

Tuning: Standard EADGBE

This song its pretty easy you just have to listen to figure

out how the song goes.

You really only use one string though.

I'm really a rocker but I heard this song at my friends house and its really tight

So I wanted to learn how to play it.

If there is anything wrong with it please email me the right tab.
