

# Jack & Jack - No One Compares To You

tom:  
Capostrate na 1ª casa

Thoughts of you and me keep passing by  
Like ships in the night, we never collide  
Need you here but after all this time  
You can't be replaced even if I tried

I'm looking at her face but I'm seeing you I'm seeing you  
She's sleeping on your side, what can I do what can I do  
We should be heart to heart, my mind is on you  
I try, I really do

Every time I think I've found somebody  
I just wish that somebody was you  
There's no way that someone else could make me ever  
Feel the same way that you do  
No-one compares to you  
Make it hard for me to love again  
Oh, where do I start and when do you end?  
Even if I tell myself I can

I know that I'll break before I can bend, yeah

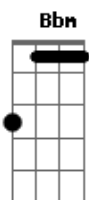

I'm looking at her face but I'm seeing you I'm seeing you  
She's sleeping on your side, what can I do what can I do  
We should be heart to heart, my mind is on you  
I try, I really do

Every time I think I've found somebody  
I just wish that somebody was you  
There's no way that someone else could make me ever  
Feel the same way that you do  
No-one compares to you

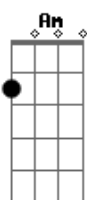

Every time I think I've found somebody  
I just wish that somebody was you  
Ooh, there's no way that someone else could make me ever  
Feel the same way that you do  
No, no one compares to you

No body , no body no  
No one compares to you  
No body , no body no  
No one compares to you
