

Jack Garratt - The Love You're Given

```
Intro: Db Ab Bb Fm
              Dh
Take all the love you're given
Through the gap in the wall
                       Db
Seal it tight with the light blue ribbon
Then unlock the door
But your ego won't let you love
And your fear is your downfall
                      Dh
If you won't take the love you're given
                     Bh
                          Fm
Then at least let me go
N.C.
Please let me do
N.C.
Please let me go
 Db Ab Bb Fm
Please let me go
I've been trying to give you my love
But you won't let me, won't let me
I've been trying to give you some space
But you won't let me, won't let me
Db
I've been trying to save you the trouble
But you won't let me, won't let me
I've been trying to give you my love
                Dh
Don't feed the solace within you
And allow it to grow
                             Dh
Cause when the leaves, the blossom become you
They'll turn black and they'll fall
                          Dh
I promise if you're gonna lock me out
```
