3 I's a magic number
yes it is, its a magic number
Because 2 times 3 is 6
and 3 times 6 is 18
and the 18th letter in the alphabet is R
we got 3 R's were gonna talk about today

We gotta learn to reduce reuse recycle
reduce reuse recycle
reduce reuse recycle

reduce reuse recycle

Well if you are going to the market to buy some juice
You gotta bring ya own bags and you'll learn to reduce your waste
we gotta learn to reduce
And if your brother or your sister's got some cool clothes
you could try them on before you buy some more of those
reuse, we gotta learn to reuse
and if the first 2 R's don't work out
and if you gotta make some trash, well don't throw it out
recycle, we gotta learn to recycle

we gotta learn to
reduce reuse recycle
reduce reuse recycle
reduce reuse recycle
reduce reuse recycle

Because 3, It's a magic number
Yes it is, its a magic... number
