Intro: **C C Am F Dm G C**

C C
I've got an angel

Am F
She doesn't wear any wings

Dm
She wears a heart
That could melt my own

G
She wears a smile
C
That could make me want to sing

C C
She gives me presents

Am F
With her presence alone

Dm
She gives me everything

I could wish for
G
She gives me kisses on the lips
C
Just for coming home

C C
She can make angels

Am F
I've seen it with my own eyes
Dm

You've gotta be careful

When you've got good love
G
Cause them angels

Will just keep
C
On multiplying

Dm
You're so busy
G
Changing the world
Dm
Just one smile

G
You could change all of mine

C
We share the same soul
C Am
Oh, oh, oh, ohhh

C
We share the same soul
C Am
Oh, oh, oh, ohhh

F
Oh, oh, oh, ohhh
Dm C
Umm, umm, umm, uhhhhhhmm

C C
There's no combination of words
Am G
I could put on the back of a postcard
F F
No song that I could sing but
Dm G
I can try for your heart

C C

Our dreams and they are
Am G
Made out of real things
F F
Like a shoebox of photographs
Dm G
With sepia-toned loving

C C
Love is the answer at least
Am G
For most of the questions in my heart
F F Dm
Why are we here? And where do we go?
G
And how come it's so hard?

C C
It's not always easy and sometimes
Am G
Life can be deceiving
F F
I'll tell you one thing
Dm G
It's always better when we're together

[Refrão]

F
Hum it's always
G Gb
Better when we're together
F
Yeah we'll look at the
G Gb
Stars when we're together
F
Well it's always
G Gb
Better when we're together
F
Yeah it's always
G
Better when we're together

(**C C Am G**)
(**F F Dm G**)

C
And all of these moments just might
C Am G
Find their way into my dreams tonight
F F
But I know that they'll be gone
Dm G
When the morning light sings
C C
Or brings new things
Am G
For tomorrow night you see
F F
That they'll be gone too
Dm G
Too many things I have to do

C
But if all of these dreams might find
C Am G
Their way into my day to day scene
F F
I'd be under the impression
Dm G
I was somewhere in between
C C
With only two, just me and you
Am G
Not so many things we got to do
F F
Or places we got to be we'll sit
Dm G

Beneath the mango tree now

[Refrão]

F
Yeah it's always
G
Better when we're together **Gb**
F
Hum we're somewhere
G **Gb**
In between together
F
Well it's always
G **Gb**
Better when we're together
F
Yeah it's always
G
Better when we're together

(**C** **C** **Am** **G**)
(**F** **F** **Dm** **G**)

Dm **G**
I believe in memories they look so
Dm **G**
So pretty when I sleep
Dm **G**
And now when, and when I wake up
Dm
You look so pretty
G
Sleeping next to me

F **G**
But there is not enough time
F **G**
And there is no no song I could sing
F **G**
And there is no combination of words
F
I could say but I will still
G
Tell you one thing
We're better together
