 Then tell me what am I supposed to tell you? ^{Dbm} ^{Gbm}
 When I can't tell you anything ^A
 But the truth ^{Gbm}
 I can't tell you anything ^A
 But the truth ^{Gbm}
 What happens to an eagle's nest in a storm ^E ^A
 How does the mama ^{Dbm}
 Keep the baby warm ^{Gbm}
 The wind is telling us that its time ^E ^A
 And what if we're not ready to fly ^{Dbm} ^{Gbm}
 When I can't tell you anything ^A
 But the truth ^{Gbm}
 I can't tell you anything ^A
 But the truth ^{Gbm} ^E
 Tree tops they touch the ground ^A ^{Dbm}

In the morning walk with no sound ^{Gbm}
 Hear no birds, hear no planes ^E ^A
 Through the mud, feel the clay ^{Dbm} ^{Gbm}
 Build it up, make it sing, ^E ^A
 Make it strong, give it wings. ^{Dbm} ^{Gbm}
 But I can't tell you anything ^A
 But the truth ^{Gbm}
 And I can't tell you anything ^A
 But the truth ^{Gbm}
 What is this place? ^E
 Who am I? ^A
 Why did we come here? ^{Dbm} ^{Gbm}
 What is this place? ^E
 Who am I? ^A
 Why did we come here? ^{Dbm} ^{Gbm} ^E
 I don't know I don't know ^A ^{Dbm}
 But I don't know ^{Gbm} ^E
 That we're meant to know ^A ^{Dbm}
 I don't know, no, I don't know ^A
 But I don't know ^{Gbm}
 That we're meant to know
