Tom: **G**
Intro: Riff 1

Riff 2

(Intro - Riff 1)

It's as simple as something that nobody knows that her eyes
are as big

as her bubbletoes

on the feet of a queen of the hearts of the cards and her feet
are all

(riff 2)
covered with tar balls and scars

It's as common as something that nobody knows that her beauty
will

follow wherever she goes

up the hill in the back of her house in the wood she love me
forever,

(riff 2)
I know she could

Verse

I remember when you and me "mmm" how we used to be just good
friends

Wouldn't give me none

But all I wanted was some

She's got a whole lot of reasons

She cant think of a single one

That can justify leaving

and he got none but he thinks he got so many problems

Man he got, too much time to waste

His dreams are like commercials

But her dreams are picture perfect and

Our dreams are so related though they're often underestimated

It's as simple as something that nobody knows that

Her eyes are as big as her bubbly toes

On the feet of the queen of the hearts of the cards

And her feet are infested with tar balls... and
