

Jack Johnson - Do You Remember

Intro: D A G D A

Do you remember when we first met I sure do
 It was some time in early September
 Though you were lazy about it you made me wait around
 I was so crazy about you I didn't mind

So I was late for class I locked my bike to yours
 It wasn't hard to find you'd painted flowers on
 Guess that I was afraid that if you rolled away
 You might not roll back my direction real soon

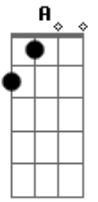

Chorus:
 Well I was crazy about you then and now
 The craziest thing of all over ten years have gone by
 And you're still mine we're locked in time
 Let's rewind

Do you remember when we first moved in together
 The piano took up the living room
 You played me boogie-woogie I played you love songs
 You'd say we're playing house now you still say we are
 We built our getaway up in a tree we found
 We felt so far away though we were still in town
 Now I remember watching that old tree burn down
 I took a picture that I don't like to look at
 Well all these times they come and go
 And alone don't seem so long
 Over ten years have gone by
 We can't rewind we're locked in time
 But you're still mine
 Do you remember
