Intro: 4/4 E Bm Gbm A 4X

In my rear view
I watch you
Watching the twilight
Behind the telephone lines
With nothing to prove
Or to assume
Just thinking that your thoughts
Are different than mine

In my rear view
I watch you
I gave you your life
But you give me mine
I see you slowly swim away
Cause the light is leaving town
To a place that I can't be
But there's no apologies

Just go on
Just go on
There's still so many things
I wanna to say to you
But go on
Just go on
We're bound by blood that's moving
From the moment that we start
From the moment that we start

I see your perfect little eyes
Watch the shadows of the clouds
And the surface of the ocean

Out the window of a plane
I get nervous when I fly
I'm used to walking with my feet
Turbulence is like a sigh
That I can't help but over think

What is the purpose of my life
If it doesn't have to do
With learning to let it go
Live vicariously through you
You can do the same
It's the least you can do
Cause it's a lonely little chain
If you don't add to it

So go on
Just go on
There's so many things
I wanna say to you

Go on
Just go on
We're bound by blood and love
From the moment that we start

Just go on
Just go on
There's still so many things
I wanna say to you

Just go on
Just go on
Were bound by blood that moving
From the moment that we start
From the moment that we start
