Trolley cars and buses too
All the big kids going to school

Catch me catch me if you can

It's a jungle gym

Gb **F**
It's a funky beat
The more I learn inside the city
The more I learn in me
It's a jungle gym
It's a jungle gym
Movie theatres and museums
Fishing in the pond
ABC's 123's bring your friends along
Flying kites way up high into the blue sky
We can take a ride
Just you and I
It's a jungle gym
It's a jungle gym!
Sha la la la la la la la la
This city's nitty gritty but it's so much fun
We can take a ride go tell everyone
It's a jungle gym
It's a jungle gym
