

# Jack Johnson - Lullaby

Tom: **A**

**A**  
When you're so lonely lying in bed  
**D**  
Night's closed its eyes but you can't rest your head  
**A**  
Everyone's sleeping all through the house  
**D**  
You wish you could dream but forgot to somehow

**E**  
Sing this lullaby to yourself  
**G**  
Sing this lullaby to yourself

**A**  
And if you are waiting, waiting for me  
**D**  
Know I'll be home soon darling I guarantee  
**A**  
I'll be home Sunday just in one week  
**D**  
Dry up your tears if you start to weep

**E**  
Sing this lullaby to yourself  
**G**  
Sing this lullaby to yourself

**Gbm** **Eb**  
Lullaby, I'm not nearby  
**D**  
Sing this lullaby to yourself

**Gbm** **Eb**  
Don't you cry, no don't you cry  
**D**  
Sing this lullaby to yourself

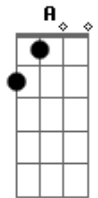

**A**  
Cause when I arrive dear it won't be that long  
**D**  
No it won't seem like anytime that I've been gone  
**A**  
It ain't the first time it won't be the last  
(help me out with this part??)

**D?** **Gbm** **Eb**  
Won't you remember these words to help the time pass?

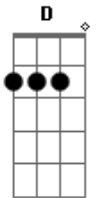

**A**  
So when you're so lonely lying in bed  
**D**  
Night's closed its eyes but you can't rest your head  
**A**  
Everyone's sleeping all through the house  
**D**  
You wish you could dream but forgot to somehow

**E**  
Sing this lullaby to yourself  
**G**  
Sing this lullaby to yourself  
**D**  
Sing this lullaby, sing this lullaby to yourself  
**G**  
Sing this lullaby to yourself
