

# Jack Johnson - Moonshine

Tom: **E**

the progression for Moonshine is along the lines of:  
E, B7, C#m, G#m, F#m, G#m7, **Gbm7**  
B minor melodic scale fits for the melody.

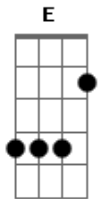

Simple chords, the progression goes as follows

**E** **B** Dbm Abm **A** Abm Gbm **B**

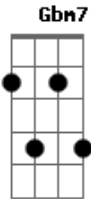

2nd Guitar uses harmonics used like this  
(you can slide between these for an added  
effect... Acutally, I think he does slide  
between these so try it out)

2nd guitar then goes into the solo:
