                                                                just one breath in a chain of thought

                                                                moments just combusting

wanna give this imagery back but I
                                                                we're begging and we're needing and we're trying and we're
                                                                breathing never
